

The CDC recommends washing your hands for 20 seconds to effectively kill germs. Singing 'Happy Birthday' twice is a great way to time your hand washing, or you can switch it up by singing these popular songs instead!

'Build Me Up Buttercup' by the Foundations

Why do you build me up (build me up) buttercup, baby
Just to let me down (let me down) and mess me around?
And then worst of all (worst of all) you never call, baby
When you say you will (say you will) but I love you still
I need you (I need you) more than anyone, darlin'
You know that I have from the start
So build me up (build me up) buttercup, don't break my heart

'Africa' by Toto

It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa
Gonna take some time to do the things we never had (ooh, ooh)

'My Shot' from "Hamilton"

And I am not throwing away my shot
I am not throwing away my shot
Hey yo, I'm just like my country
I'm young, scrappy and hungry
And I'm not throwing away my shot
I am not throwing away my shot
I am not throwing away my shot
Hey yo, I'm just like my country
I'm young, scrappy and hungry
And I'm not throwing away my shot
It's time to take a shot

'Stayin' Alive' by the BeeGees

Whether you're a brother or whether you're a mother
You're stayin' alive, stayin' alive
Feel the city breakin' and everybody shakin'
And we're stayin' alive, stayin' alive
Ah, ha, ha, ha, stayin' alive, stayin' alive
Ah, ha, ha, ha, stayin' alive
